AcademiCon started January 2013 as an idea: invite guest presenters from all walks of life and from a variety of professions to inspire students and to encourage them to work harder towards their dreams while learning from the paths of others. During the first two AcademiCons nearly 200 guest presenters, members of the armed forces, and representatives from a variety of colleges, universities, and trade schools came to Santa Teresa High School. With the help of dozens of volunteers, the events were a tremendous success.

This year, we are again inviting the community to participate, moving beyond “guest speakers” to “guest instructors,” offering nearly 2300 students five awesome workshops featuring presenters from a variety of occupations and backgrounds, a new and improved Military Fair, an even bigger College/Career Fair, and an improved process for selecting the workshops of their choice.

This year, AcademiCon 3 is bigger and better than ever and we need you to be a guest instructor, recruit guest instructors, plan, setup, host, or cleanup.

**Guest Instructors Needed**

Guest instructors are invited to describe their profession, path, successes, and failures. Instructors are asked to demonstrate or teach a brief lesson and engage the audience by “doing.” By doing so, you will inspire our students to work harder because you represent a path to their future. Your instruction will resonate with our students to improve their habits for the better.

Guest instructors can present in a variety of different venues during any of the 50 minute sessions: classroom venues (20-30 students); large classroom venues (100-150 students); and our theater (more than 400 students).

If you are interested in applying to be a Guest Instructor, please visit our website: http://sths.schoolloop.com/academicon. Please click the link for the online Guest Instructor Application.

**Military Representatives Welcome**

Military Representatives are invited to participate in our Military Fair, from 8:45am-10:45am on our outdoor basketball courts, rain or shine. This is a great opportunity to provide students information about serving our country. The Military Fair will have two sessions (8:45-9:35am and 9:55-10:45am).

Audience sizes range from 80-100 students. Setup can begin as early as 8am.

If you are interested in our Military Fair, please call Ms. Kathy Sheridan at 408-347-6217 or email her at sheridank@esuhsd.org.

**College/Career Tech Representatives Invited**

College and Career Technical Representatives are invited to join our College and Career Fair. This is a great opportunity to give students information about your school and program. The College and Career Fair will have three sessions: (10:50-11:40am, 12:15-1:05pm and 1:10-2:00pm).

Audience sizes range from 100 to 150 students. Setup can begin as early as 10:00am.

If you are interested in our College and Career Fair, please call Ms. Amy Choy at 408-347-6234 or email her at choya@esuhsd.org.

Guest instructors will receive a program, a name badge, and a continental breakfast.
