The Grand Tour of Italy

12 days: Venice, Florence, Assisi, Sorrento Region, Rome

In Italy, you can travel through thousands of years of history to witness some of humankind’s most transformative moments.

Ancient Roman advances in engineering made the Colosseum possible. At the Duomo in Renaissance Florence, the world took its first steps out of the Dark Ages. And Venice’s Grand Canal was at the heart of one of the world’s great naval powers.

Tour Enrollment Meeting

Please join me for an informational meeting about the trip and learn about all the incredible opportunities students will experience in Italy!
